

What's happening in the Andes Region?

News Letter N° 3 | JULY 2021

SOLUTIONS

In Ecuador, the "Climatón" is a virtual tool in which girls, boys and young people can learn about action against climate change in an interactive and entertaining way. An initiative of the UNDP and the Ministry of the Environment, Water and Ecological Transition. More information [here](#)

CHALLENGES

In Peru, the proportion of women in the National Parliament in the 2020-2021 congressional period is 26.2%; 6.2% more than in 2000-2001. Although it has increased, female participation is still low and remains a challenge. More information [here](#)

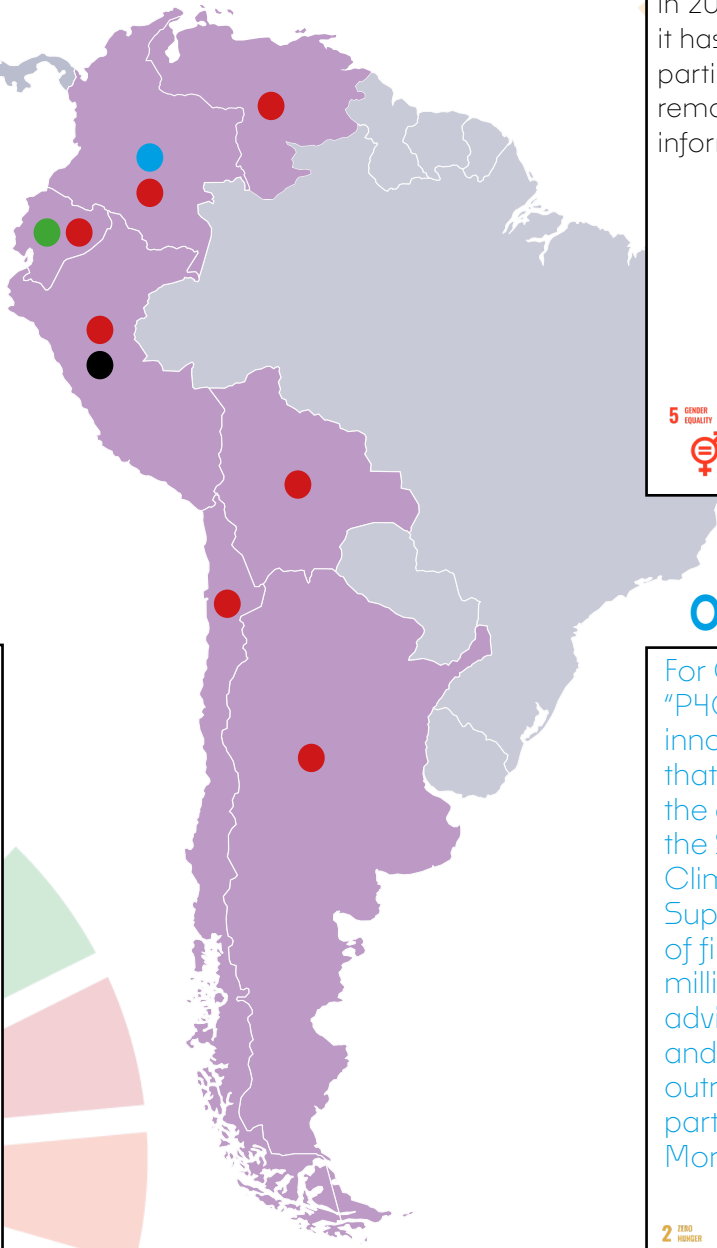

THREATS

Human trafficking is increasing in the region, especially of girls and women who are victims of sexual exploitation and forced labor. There is a growing trend in South America, with trafficking flows between countries that are quite complex, and the majority is domestic trafficking (within each country). More information [here](#).

OPORTUNITIES

For Colombia, the "P4G" supports innovative initiatives that can accelerate the achievement of the SDGs and the Paris Climate Agreement. Support may consist of financing (max. 1 million USD), strategic advice, co-creation and co-investment, outreach to third parties, among others. More information [here](#)
